

Audi Q7 – Package and variability

Both the five- and seven-seat versions of the Audi Q7 combine high prestige with everyday practicality. With generous length, headroom, and elbowroom in both the front and back, the SUV offers a first-class, airily spacious atmosphere. Depending on the position of the rear backrests, the luggage compartment in the five-seat version offers a volume of between 780 liters (backrests up) and 1,908 liters (backrests down).
